

## **3rd Principal Investigators Meeting Presentations and Posters**

3rd Principal Investigators Meeting  
Innovative Molecular Analysis Technologies Programs  
July 8-10, 2002  
Westfields International Conference Center  
Chantilly, Virginia

### **Presentations and Posters**

Gerry R. Boss  
University of California, San Diego  
**Automated Measurement of Ras and Rho Activation in Cancer**

John Welsh  
Sidney Kimmel Cancer Center San Diego  
**Vertical Array Project**

Sandra Gaston  
Urological Research Laboratories  
**Prostate Cancer and Androgens**

Suzanne Miyamoto  
UC Davis Cancer Center  
**Novel Approach to Cancer Proteomics Using Combinatorial Chemistry**

Sherman Weissman  
Yale University  
**Global Scanning of Single Nucleotide Variations**
